A WEEK: English, humanities and WL may assign tests, quizzes or significant HW assignments

B WEEK: science and math classes may assign tests, quizzes or significant HW assignments

- Classes will be held whether or not an exam is given
- Students are expected to attend all of their scheduled classes (not study hall); pre-arranged absences must be approved by Mrs. Zalac
- When students have free periods, electives or study halls, they needn't attend school although students may be on campus; we will have supervision for students who need to be on campus for the entire day (bus riders, etc.)
- Students who receive extended time are expected to utilize the time prior to the exam (for the 9:30 exam) and after the exam (for the 12:30 exam); this way, students will be able to have a break between potential exams and also have time for lunch
- Honor code will be followed and enforced

***Office hours: Monday morning from 8:00-11:00; students do not need to be on campus although students are welcome
